Route 29/179, Lambertville Gateways

DB # 00362A UPC 003621 MILEPOST(S) 18.20 - 19.90
 COUNTY: Hunterdon MUNICIPALITY: Lambertville City

The Scenic Byways Management Plan for Route 29 was completed in August 1997. The Lambertville Gateway project intends to promote and advance a number of improvements along Route 29 within the City of Lambertville that will improve and enhance the travel experience for motorists, pedestrians and bicyclists, and enhance/preserve the community character and scenic corridor elements. Specific improvements may include various traffic calming features, gateway treatments and bicycle/pedestrian improvements within the City of Lambertville along Routes 29 and 179.

The following special Federal appropriation was allocated to this project. FY04, Section H17 \$300,000 (balance available \$0).

Route 29, Moores Station Canal Crossing (AKA Pleasant Valley Road)

DB # 00362F UPC 003626 MILEPOST(S) 15.2
 COUNTY: Mercer MUNICIPALITY: Hopewell Twp.

This project will provide access to the D&R Canal towpath trail via a bicycle and pedestrian crossing and an opportunity to educate the public about the history of the canal. The project will provide for the construction of an A-frame swing bridge crossing of the D&R Canal and improvements to the existing parking area. Also included is a new boat or canoe dock and a new kiosk sign.
