Pulaski Skyway northbound Broadway exit ramp to Jersey City to be closed and detoured Wednesday and Thursday Closure necessary for curb work on the ramp

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the Broadway ramp from the Pulaski Skyway northbound to Route 1&9 Truck in Jersey City will be closed during the day Wednesday and Thursday as the rehabilitation of the historic 88-year-old bridge advances.

From 9 a.m. until 3:30 p.m. tomorrow, Wednesday, July 22, and Thursday, July 23, NJDOT's contractor, Cornell & Co. Inc., will close and detour the Broadway exit ramp from the Pulaski Skyway northbound to Route 1&9 Truck in Jersey City for curb work on the Broadway ramp. The Broadway ramp onto the Pulaski Skyway southbound from Jersey City remains closed.

The work is part of the Rocker Bearing Investigation Contract 8A of the Pulaski Skyway rehabilitation project, which is being advanced through 12 separate construction contracts. The Department is carefully coordinating the Pulaski Skyway project with other regional transportation infrastructure projects to minimize traffic congestion. The following detour will be in place:

Pulaski Skyway north exit to Broadway Avenue detour

- Motorists on the Pulaski Skyway northbound wishing to take the Broadway ramp to Jersey City will be directed to continue north on the Skyway
- Take the next exit ramp for Tonnele Circle
- Once in the Circle, motorists can continue onto Route 1&9 northbound
or
- Motorists wishing to travel onto Route 1&9 southbound or Route 1&9 Truck southbound should proceed through the Circle to Route 1&9 northbound
- Make a U-turn at County Road and proceed onto Route 1&9 southbound.

The Department has a project hotline telephone number, 973-776-7400, and email, Pulaski.Skyway@dot.nj.gov. Anyone who has questions, concerns, or suggestions is encouraged to contact the Project Outreach Team as work progresses.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NJDOT_info](https://twitter.com/NJDOT_info) or on the [NJDOT Facebook page](https://www.facebook.com/NJDOT).
