Activity No. FWW190001

Original Activity No. FWW130001

Applicant: NJDOT

Project: Route 46/3/Valley Rd/Notch Rd Interchange Improvements

Dear Mr. Asadpour:

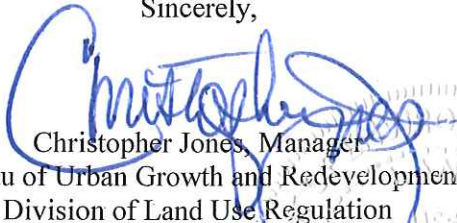

The Division of Land Use Regulation (Division) has received your request for an extension to the above-referenced permit, which was issued by the Division on July 17, 2014.

In accordance with the Freshwater Wetlands Protection Act Rules at N.J.A.C. 7:7A-20.4, the Division hereby grants a 5-year extension to the referenced Freshwater Wetlands Individual Permit. The new expiration date for this permit is **July 17, 2024**. All conditions of the original permit remain in effect.

Please note that the original permit included a 10-year authorization for the Flood Hazard Area Individual Permit (FHA140001) associated with this project, so that permit remains valid.

If you have any questions, please do not hesitate to contact Becky Mazzei of our staff at Becky.Mazzei@dep.nj.gov or (609) 984-6216.

Sincerely,

Christopher Jones, Manager
