## **Route 20/McLean Boulevard northbound lane closure required as Fair Lawn Avenue Bridge project advances Right lane will be closed near the Bridge for 28 months**

**(Trenton)** – NJDOT officials today announced a long-term lane closure on Route 20/McLean Boulevard northbound as the Fair Lawn Avenue Bridge replacement project advances in Paterson, Passaic County.

Beginning at 9 a.m. tomorrow, Friday, March 12, Passaic County's contractor, Anselmi & DeCicco, is scheduled to close the right lane on Route 20/McLean Boulevard northbound near the Fair Lawn Avenue Bridge. This closure will allow the contractor to install construction barrier, creating a work zone to demolish the bridge. One lane of northbound traffic will be maintained. The right lane will remain closed for approximately 28 months.

The Fair Lawn Avenue Bridge was closed to eastbound traffic in 2016. Earlier this month, the bridge was closed to westbound traffic. The following signed detour will remain in place for the duration of the project, which is anticipated to be complete in fall 2023.

### **Fair Lawn Avenue Bridge westbound detour:**

- Motorists traveling westbound on Fair Lawn Avenue wishing to take the Fair Lawn Avenue Bridge across the Passaic River to Route 20 will be directed to turn right onto River Road/CR 507
- Turn left onto Maple Avenue/CR 507 and cross the Passaic River
- At the fork, keep right to merge onto 1st Avenue/CR 504

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information.
