POSTPONED

Route 17 southbound to be closed for railroad crossing repairs this weekend in Lodi, Bergen County Detours near Hackensack University Medical Center during construction

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced that the railroad crossing repair work on Route 17 southbound, planned for this weekend, **has been postponed**. NJDOT will provide advanced notice of any future closures once it has been rescheduled.

In order to provide safer and smoother railroad crossing, the existing crossing will be replaced with new concrete crossings and asphalt approaches. This federally-funded project is included within NJDOT's railroad grade-crossing safety program which repairs, upgrades, or removes approximately 50 crossings each year, statewide.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) and on the [NJDOT Facebook page](#).
