Route 4 eastbound right lane closures and Route 4 westbound shoulder closure tonight and tomorrow night in Englewood Jones Road northbound daytime closures Thursday and Friday

(Trenton) – The right lanes on Route 4 eastbound and the right shoulder on Route 4 westbound are scheduled to be closed tonight and tomorrow night underneath the Jones Road Bridge over Route 4 in Englewood, Bergen County.

Tuesday, November 29 and Wednesday, November 30

Beginning tonight, Tuesday, November 29 from 11 p.m. until 4:30 a.m., Wednesday, November 30, and again, tomorrow night, Wednesday, November 30 at the same times, the two right lanes on Route 4 eastbound and the right shoulder on Route 4 westbound will be closed. The lane and shoulder closures are necessary for utility work. At least one lane of traffic will be maintained in each direction overnight on both nights.

Thursday, December 1 and Friday, December 2

On Thursday, December 1 from 9 a.m. until 3 p.m., and again on Friday, December 2 at the same times, Jones Road northbound is scheduled to be closed on the Jones Road Bridge over Route 4. The closure is necessary for utility work. Alternating traffic will be maintained on Jones Road southbound. Motorists are advised to slow down, use caution, and expect delays while driving through the work zone, or plan an alternate route.

The \$20.7 million federally-funded project will replace the Jones Road Bridge over Route 4 in Englewood Bergen County. The new bridge will be approximately three feet higher to improve under-clearance issues on Route 4. Work is expected to be complete in the summer 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
