## **Route 3 westbound ramp to Valley Road to reopen Wednesday in Clifton, Passaic County**

**(Trenton)** – New Jersey Department of Transportation (NJDOT) officials today announced that the Route 3 westbound ramp to Valley Road is scheduled to reopen at approximately 4 p.m. tomorrow, Wednesday, December 21, as the Route 3/Route 46 Interchange Improvement Project advances in Clifton and Little Falls, Passaic County.

The \$160 million federally-funded Contract B portion of the Route 3, Route 46, Valley Road and Notch/Rifle Camp Road Interchange Improvements project includes the realignment and widening of Route 46, as well as the construction of wider shoulders, acceleration, deceleration, and auxiliary lanes. At the Route 3/Route 46 interchange, a three lane Route 3 section will replace the existing two-lane connections, and Route 46 will be realigned to better converge with Route 3. The new interchange includes four new bridge structures, a new signalized intersection, and a new multi-lane roundabout. This work is anticipated to be complete in 2024.

Contract A, which was completed in fall 2019, included the construction the new Great Notch Road, a new bridge over Route 46 from Great Notch Road to Clove Road, three signalized intersections, and two single-lane roundabouts parallel to Route 46 westbound to remove local traffic from the state highway.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
