Route 4 eastbound lane closures required Sunday for utility work in Englewood, Bergen County Jones Road northbound single lane closure required Sunday

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the two right lanes on Route 4 eastbound and will be closed Sunday for utility work as the Jones Road Bridge over Route 4 replacement project advances in Englewood, Bergen County. In addition, Jones Road northbound will be closed with alternating traffic on Sunday.

From 7 a.m. until 11:59 p.m. Sunday, January 20, the right and center lanes on Route 4 eastbound will be closed between Myrtle Avenue/Kenwood Street and the Jones Road Bridge over Route 4 for utility work. At least one lane of traffic will be maintained during construction. Motorists are advised to slow down, use caution, and expect delays or plan an alternate route.

In addition, from 8 a.m. to 1 p.m. Sunday, January 20, Jones Road northbound will be closed on the bridge over Route 4 for utility work. Alternating traffic will be maintained on Jones Road southbound. Motorists are advised to slow down, use caution, and expect delays or plan an alternate route.

The \$20.7 million federally-funded project will replace the Jones Road Bridge over Route 4 in Englewood Bergen County. The new bridge will be approximately three feet higher to improve under-clearance issues on Route 4. Work is expected to be complete in the summer of 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) and on the [NJDOT Facebook page](#).
