NJDOT announces grand opening of state-of-the-art transportation training facility in Bordentown

Who: NJDOT Commissioner Diane Gutierrez-Scaccetti
NJDOT Assistant Commissioner of Transportation Operations Systems and Support, Andrew Tunnard

What: New Jersey Department of Transportation (NJDOT) will announce the grand opening of its state-of-the-art training facility in Bordentown. Immediately following remarks will be a ribbon cutting ceremony and tour of the facility.

Tour highlights include:

- Full-motion Commercial Drivers' License (CDL) truck simulators
- Construction, Landscape and Roadway Training Lab where trainees will be working inside an in-ground model of drainage inlets
- Electrical Training Lab where trainees will be working on traffic signal control cabinets and in-ground pull boxes

Photo Op: The press conference will take place outside on the facility's mock roadway which features an intersection, traffic signals, crosswalks, overhead signs, and a railroad grade crossing to present trainees with the conditions and structures they will encounter on the job.

When: Wednesday, May 31, 2023
10:30 a.m.

Where: New Jersey Bordentown Training Center
107 Dunns Mill Road
Bordentown, NJ

Please use this link for directions to facility entrance: <https://bit.ly/43tyAa1>

Parking: Media will be directed to parking in the back of the facility.

RSVP: Communications.Office@dot.nj.gov or 609-963-1975
