Pulaski Skyway lane closures in both directions tonight **Closures necessary for painting**

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the right lane on the Pulaski Skyway in both directions is scheduled to be closed tonight as the rehabilitation of the historic 92-year-old bridge advances in Jersey City.

Beginning at 9 p.m. tonight, Friday, September 20 until 9 p.m. Saturday, September 21, the right lane on the Pulaski Skyway in both directions is scheduled to be closed between the Tonnele Circle and Broadway Avenue ramp. The closures are necessary to paint Span 44 over the Conrail and PATH train lines in Jersey City. One lane in each direction will be maintained during construction.

To avoid delays, NJDOT is encouraging motorists to use the NJ Turnpike-Hudson County Extension or Route 1&9 Truck to or from all destinations, including to the Holland Tunnel, I-78, or I-280/Route 7.

The work is part of Contract 8B of the Pulaski Skyway rehabilitation project, which is being advanced through multiple construction contracts. The Department is carefully coordinating the Pulaski Skyway project with other regional transportation infrastructure projects to minimize traffic congestion.

The Department has a project hotline telephone number, 973-776-7400, and email, Pulaski.Skyway@dot.nj.gov. Anyone who has questions, concerns, or suggestions is encouraged to contact the Project Outreach Team as work progresses.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](https://twitter.com/NewJerseyDOT), on the [NJDOT Facebook page](https://www.facebook.com/NJDOT), or Instagram [@NewJersey.DOT](https://www.instagram.com/NewJersey.DOT).
