Route 31 northbound ramp to Route 31 southbound and Clinton Park & Ride to be closed and detoured this weekend in Clinton Ramp to be closed tonight until Monday afternoon

(Trenton) – The Route 31 northbound ramp to Route 31 southbound/Clinton/Flemington and the Clinton Park & Ride is scheduled to be closed and detoured this weekend as the Route 31, I-78/Route 22 to Grayrock Road pavement reconstruction project advances in Clinton, Hunterdon County.

Beginning at 8 p.m. tonight, Friday, September 20, until 12 noon, Monday, September 23, the Route 31 northbound ramp to Route 31 southbound/Clinton/Flemington, Route 173, and the Clinton Park & Ride is scheduled to be closed and detoured for milling and paving. The following detour will be in place:

Route 31 northbound ramp to Route 31 southbound, Route 173, and Clinton Park & Ride detour:

- Motorists on Route 31 northbound wishing to take the ramp to Route 31 southbound, Route 173, and Clinton Park & Ride will be directed to continue on Route 31 northbound
 - At the traffic signal, take the ramp to CR 513 southbound/Clinton/U and Left Turns
 - Turn left onto Route 31 southbound
 - Take the ramp to I-78/Route 22 westbound/Phillipsburg, which becomes Center Street
 - Turn left into Clinton Park & Ride
- OR
- Continue on Center Street to Route 173

The \$24.8 million federally funded Route 31, I-78/Route 22 to Grayrock Road pavement reconstruction project will replace deteriorated concrete pavement with full depth asphalt reconstruction of the roadway in Clinton, Hunterdon County. In addition, the project will realign the intersection of Center Street eastbound and Route 31 southbound to improve sight distance. The acceleration lane from I-78/Route 22 westbound to Route 31 northbound will be extended to provide more space to merge. The project also includes drainage improvements, guiderail replacement, lighting and overhead sign installation, and concrete deck repairs on the bridges. The project is expected to be completed by fall 2026.

The precise timing of the work is subject to change due to weather or other factors.
